Linbroken Line of Guards Keeping

Leve Intact.

Baton Rouge, La., April 30.—Not only has the record for high water in the Mississippi here been broken long since, but the indications were to-day that the estimate of the United States Army engineers and weather officials would also be exceeded.

From the mouth of the Red River to Baton Rouge on the west side the levee is one unbroken line of guards to keep the levee intact or to give the alarm the moment an incipient cervasse makes its appearance.

Fitcen hundred people in the now overflowed section near the mouth of Red River were reported destitute to-day, and supplies were immediately dispatched to their relief by the army commissary department.

Early Returns Show That Alabamion Has Easily Defeated Wilson.

Jacksonville, Fla., April 30.—Returns from the presidential preference primary held in this State today, with Woodrow Wilson and Oscar Underwood as the only participants, were mengre at midnight. Few precinets had been reported complete, but these and the vote of other precinets, as far as counted, indicated that Underwood was leading by a fair majority. The Florida Fimes-Union, in its early editions, claimed the State for Underwood by a majority of about 7,000.

The ballot in to-day's primary was more than two feet in length, and in addition to the presidential candidates, carried the names of delegates and State officials, from Governor down, who are to be elected. Tests in counting the bnilots showed that it takes four to six minutes to count one vote. Anything like complete flagures on the vote are not expected before inte Wednesday night or Thursday morning.

Wednesian, morning to the contest for Governor, in-lin the contest for Governor, in-dications are that Park Trammell and Cromwell Glibbons are running a close race.
